

## Annual 8<sup>th</sup> Grade Student-Teacher Water Battle

One of the most anticipated traditions at Brandon Academy is the annual 8<sup>th</sup> Grade Student-Teacher water battle. On the last day of the school for our 8<sup>th</sup> graders, teachers and students get to enjoy a water battle including water balloons, super soakers, and hoses. When all is done, everyone is soaking wet and all have a wonderful memory to last a lifetime. Best wishes 8<sup>th</sup> Graders!
