

Brandon Academy Athletics

Expectations

Interscholastic sports are an important part of our athletic program. Athletes should support the school mission and be dedicated to the sport they choose to play. Team membership requires an additional commitment beyond the normal school schedule. Athletes are expected to be at all practices and games unless excused beforehand. Mastery of certain skills, specific to a sport, is important. Therefore, not all team members will receive the same amount of playing time. Athletes are also expected to give 100% of their efforts in the representation of our school. It is expected that all students will conduct themselves in a positive manner on the fields and off during athletic events. It is also expected that the coaching staff will conduct themselves in a positive manner at all events and at all practices. The coaching staff is further reminded that they are the prime role models for young athletes and should strive to set a positive atmosphere and example.

Eligibility

Students eligible to try out for any school athletics team offered in the school year. All athletes must have a minimum GPA of 2.0 on report cards to be eligible to play. Conduct in the classroom or on the playing field can result in ineligibility. Administration will check on each athlete's conduct regularly. The expectation is that all athletes will conduct themselves in a respectable fashion at all times. Conduct can cost you playing time, a game, or an entire season.

Fees

All players who are on a high school athletic team will be responsible for paying a fee for each sport in which they participate. This fee must be paid prior to the first game. **The Fee this year will be \$100 per sport.**

Medical

All athletes must turn in a signed Permission/Hold Harmless Agreement. In addition, all required FHSAA forms must be completed and turned into the school each year, including the annual athletic physical form to be completed by your child's physician. If an athlete is absent from school from more than two days in a row, they must have written permission from their parent to resume participation in after school sports.

Please Sign the attached Permission/Hold Harmless form and return to the front office along with all FHSAA forms and the \$100 participation fee per sport
