ROCK WITH MISS BACH!
AT BRANDON ACADEMY'S MUSIC CAMP
JUNE 4-7; JUNE 11-15

MORNING SESSION Ages 4-8:

Little Musicians Camp

Rhythm, Melody, and Harmony...OH MY! This 2.5-hour music camp will build or improve listening, tactile, and sight-reading skills with Boomwhackers®, hand-bells, songs using the *Little Singers™* method, musical movement, music games, instrument-making, and more! **About the *Little Singers™* method:** Music teaches children teamwork in conjunction with teaching self-reliance. This new method is shattering prevailing beliefs that little children can't handle real vocal technique or acquire music literacy! More than "just singing songs", this camp provides plenty of play-time with structured and unstructured music-making. **Optional performance on June 15th. All materials provided.**

AFTERNOON SESSION Ages 8-11:

Performance Camp: At the Bandstand! A Rock-n-Roll Revue

About the *Little Singers™* method: Music teaches children teamwork in conjunction with teaching self-reliance. More than "just singing songs", this new method is shattering prevailing beliefs that little children can't handle real vocal technique or acquire music literacy! **About *At the Bandstand!*:** This staged musical is an absolute blast, with familiar '50s songs, clever characters, and hilarious punch lines to spare! Poodle skirts, bobby socks, greasers, & preppies are all part of the fun! If you were in *Half Notes* this year, you sang two songs, but now you'll get to perform the FULL PRODUCTION! **Performance on June 15th. Brief audition for specific roles and solos. Some materials provided. Please submit the form and payment as early as possible to receive the script ahead of time.**

Numerous studies have shown that children who study music are more focused, happier, and more successful in life. The lifetime benefits of music go beyond the artistic into the cognitive, physiological, emotional, and behavioral. But forget all of that; let's have some fun making music!
