**Statement for the Record
Representative Adam H. Putnam**

**Remarks on the Occasion of
Commending Brandon Academy's designation as a
2010 National Blue Ribbon School
September 15, 2010**

Madam Speaker, I rise today to commend Brandon Academy of Brandon, Florida, for winning the prestigious 2010 National Blue Ribbon Schools award. This recognition of incredible accomplishment was bestowed on the Academy by U.S. Secretary of Education Arne Duncan.

Brandon Academy is a private school in Hillsborough County that provides for the intellectual development of 227 pre-kindergarten through 8th grade students. It boasts one of the most well-balanced curriculums in the nation, offering exceptional instruction in math, science, writing, and the arts. Thus, the Academy equips its students with the skills they need to become upstanding, productive, and well-informed citizens. The high achievement of the Academy's student body is in no small part due to the involvement of parents in their children's education.

The Blue Ribbon Schools award is considered the highest honor an American school can obtain. Schools singled out for this national honor reflect the goals of our nation's education reforms for high standards and accountability. Specifically, the Blue Ribbon Schools program is designed to honor public and private schools that are either academically superior in their states or that demonstrate dramatic gains in student achievement.

I applaud Head of School Robert Rudolph and Principal Sondra Cliggitt, as well as the teachers and students of Brandon Academy for their hard work and commitment to excellence. A good education is essential to ensuring that future generations lead more successful, fulfilling lives. They are making a true difference in the lives of so many, and building communities that improve students' learning.
