16. Private piano/violin lessons from Mr. Mitchell. Teach piano to beginning to intermediate students of all ages, and violin to beginner to semi-advanced levels of all ages. Rate is \$35 for half hour, which is length

of lesson usually recommended, but depending on student 45 or 60-minute lessons might be more appropriate. Students must have a violin to practice on, and will be expected to purchase some books for use in instruction periodically. Piano Provided on Campus. Please contact Mr. Mitchell to set up a time while availability lasts. mitchell@brandon-academy.com

17. Rock Band. Do you play guitar, bass, drums, or sing? Join the rock band! Students will get a chance to rock out together on some rock songs appropriately chosen for their skill levels.

Some requirements:

- Open to all middle and high school students, but band(s) will be limited and chosen by number of students on instruments and skill levels.
- Students who join must have their own instruments, AND must be taking private lessons or have sufficient independent skill on their instrument appropriate for the songs the group will play. This will NOT be individual lessons, but a group lesson, the teacher will be more of an ensemble coach and director, and will not be able to give extensive individual technique instruction.
- Students will need to make a COMMITMENT and those selected will be expected to attend all rehearsals to the best of their ability until the final performance is finished.

Rate will be \$20 per student for 45-minute rehearsal after school. There will be plans to showcase songs at a performance of some sort. When and what music is performed will depend largely on the members of the band.
