

Brandon Academy Summer Math 2nd Grade App Recommendations

We are so excited to have a wonderful year in second grade with you! Below is a list of apps that will help your child practice math skills over the summer that will prepare them for math in second grade. Try to spend at least an hour a week practicing these skills with your child.

Please note: Some of these apps require purchase in order to use the full app.

Sushi Monster

Prodigy

Splash Math

In addition to the apps above, below are the skills students will need to know and review before second grade.

- Adding and subtracting within 100
- Graphing data
- Telling time to the nearest 5 minute
- Measuring to the nearest inch
