

Showtime!

Summer Drama Camp

Showtime! offers three different camp options to cater to all students, from beginners to experienced actors..

Little Actors Camp

Entering KG to Entering 2nd Grade

Little Actors is a two-week camp for our youngest stars. Students will learn all about acting and the stage and will have fun trying different characters and playing stage and acting games while building speaking, listening, and movement skills. At the end of the second week we'll put all those skills together to put on a show for family and friends.

Showtime Skills Camp

Entering 3rd to Entering 8th Grades

Option A is a one-week camp for those wanting to build their stage skills and have fun learning about the acting process.

Students will learn stage vocabulary and build skills such as projection, expression, character-building, and ways to move and interact on the stage.

Showtime Performance Camp

Entering 3rd to Entering 8th grades

Option B is for those students who are eager to be in the spotlight! Students in Option B put together a short performance, complete with sets, props, and costumes. Brief auditions will take place at the beginning of Week 1 to place students.
