

The following are club choices for the Upper Division for 2018/2019.

Builder's Club - this is an international student-led organization providing members with opportunities to perform services, build character and develop leadership. NOTE: this club is limited to 6-8 grades only.

Key Club - this a student-led organization is the high school version of Builder's Club that provides its members with opportunities to perform services, building character and develop leadership. NOTE: this club is limited to 9-12 grades only.

BA Beautification Club - this wil design and carry out projects to add and maintain the beauty of our campus. This could include weeding and watering plants, clearing our rock path and designing/carrying out new ideas to make BA beautiful.

Math Club - this club will tutor students who need help in their math classes.

Student Council - this club is designed for students who are elected by the student body. There are five positions elected by the upper division: President & Vice President (9-12 grade only) and Secretary, Treasurer and Community Service Officer (6-8 grade only). In addition, there will be two reps from each grade level. The student council will organize events such as the Haunted House, Dances, Spirit Week, etc.

Creative Publishing - students will learn the creative basics of building a business brand. Students will create/design logos, brand boards, business cards and other brand images/promotional materials.

Musical Movies - this club wil enjoy movie musicals and a healthy snack. Classics such as "Slnging in the Rain", "West Side Story", "Sound of Music" plus others will be enjoyed.

Math Counts - this club is a program designed to make learning math fun. The program builds problem solving skills and creative thinking so that students will embrace challenges throughout their academic career. There are local and regional competitions that students can attend in order to compete against their peers. The overall goal is to enjoy the learning process. Students will have the opportunity to participate in area competitions. There is a small fee for students who wish to be on the compete team.

Board Games - in this club students will bring in board games NOT electronic games - chess, monopoly, etc. This club will also do a service project for the holidays.
