Grades 3<sup>rd</sup> – 5<sup>th</sup> have a different format for their club time that was introduced a few years ago. Students choose to participate in a particular club for the entire first semester (1<sup>st</sup> and 2<sup>nd</sup> Quarters). These choices will be made in homeroom the week before the clubs begin.

New club choices will be offered to intermediate students in January and the fun can start all over again!!

The first semester clubs are:

### **#1 DRAWING & COLORING**

Students will bring out their creative side and have fun coloring and drawing with friends. Bring your own supplies.

### **#2 YOGA**

Learn the techniques of yoga so you can stretch and relax.

### **#3 3B CRAFTS**

Students will explore and experiment with **b**eading, **b**raiding, and **b**racelet making ideas. Students will enjoy learning about design concepts like pattern, rhythm, and contrast; as well as, art elements like color, shape, texture, and space.

### **#4 GAMES**

Enjoy games of all kinds: board games, card games, or bring your handheld electronic. If you have a playful nature, this is the club for you.
